

April 1, 2009

Dear Federation,

We'd like to invite your federation to nominate two climbers from your country to take part in the second annual American Alpine Club's (AAC) International Climbers Meet held in Indian Creek, Utah during the days of October 1-12, 2009. Indian Creek, with endless splitters of all sizes and lengths, offer challenges of endurance and strength and has been a worldwide climbing destination for over three decades. With world class camping it is an idyllic location for the American Alpine Club's 2009 International Climbing Meet.

Please see the attached meet details and registration form. We strongly encourage that your selection consists of a male and a female and that they be able to lead 5.10, E2, or French 6b.

The deadline for all registrations is July 1st, 2009. If your country requires a visa to enter the United States, please plan accordingly. Please do NOT make any bookings (flights, etc.) until you have confirmation of your acceptance.

Please contact Dana Richardson [drichardson@americanalpineclub.org](mailto:drichardson@americanalpineclub.org) with inquiries.

The AAC International Climbers Meet will be an unforgettable event and we very much hope that your federation will be able to nominate two representatives because this is one you won't want to miss!

Good Climbing,
